

THE NATIONAL KIT CAR MOTOR SHOW **STONELEIGH**

Sunday and Bank Holiday Monday 30th April & 1st May

NG attendance in the past few years has been pretty sparse, **BUT** we are intending to have a **BIG PUSH** this year and make an **special NG Event** of it.

We have a pitch booked and will have a modest marquee and offer some limited catering for NGers attending.

In order to concentrate attendance we are making **Sunday 30th** as **THE NG EVENT** day
See the website for details of what is on offer at www.nationalkitcarshow.co.uk

For those wanting to make a weekend of it, we're arranging for a special Club visit to The Coventry Transport Museum on the Saturday(29th April), 10:30 to 2:00pm, with planned 'display' Parking for us on the Museum Forecourt. (see www.transport-museum.com)

There is accommodation available at a nearby Premier Inn

Please make a big effort to be there and swell our numbers, we'd be delighted to see you on any day

And please let me know of your interest, so that I can keep you updated with our plans

Thank you : SEE YOU THERE !!
